Dear Commissioner:

In reply to the outstanding Office Action mailed on June 24, 2009, reconsideration of the above-identified patent application is respectfully requested in view of the amendments to the claims and the remarks on the pages that follow.

This Amendment is being timely filed since the Office Action sets a three-month shortened statutory period not expiring until September 24, 2009. Thus, no extension is believed to be required in filing this paper. However, the Patent and Trademark Office is hereby authorized to charge any fees necessary to preserve the pendency of this application or credit any overpayment to H&A Deposit Account No. 50-2929, making reference to Attorney Docket No. PK107441.
